

Developing the young players

Only 200 campers, both males and females aged from 8 to 18, will be allowed to attend the Supercamp session.

Thanks to the experience gained over the years in colleges in the United States, the WBSC boasts the organization and technical know-how of American camps.

The Supercamp coaching staff includes expert Italian and international coaches.

We have 3 indoor courts with wooden floors, 3 outdoor basketball courts. Sportilia has 3 or 4 bed first-class rooms, congress centre, lounge bar, restaurant, games room, medical rooms and in-house laundry. We have professional trainers to prevent and take care of any accident during the camp. All campers must check in between 9:00 a.m. and 2:00 p.m. on Sunday, first day of the camp.

WBSC Supercamp "This is where God plays basketball"

by coach John Saintignon

I truly care about each coach and each of the people who take such great care in making sure that the camp is first class, from making sure the coaches are prepared each day, to making sure that the staff is dressed professionally and that players are dressed as well and that their needs are first and foremost and that their experience is one not only of basketball but of the camaraderie that comes from playing sport and being in a special location in which there are no distractions, only attention to each individual player.

WBSC American HIGH School and College Trial Sessions

The staff of the WBSC will use some collaboration and supervision of the American Head Coach John Saintignon to appraise and eventually to signal deserving campers to American High Schools and Ncaa Colleges.
